- JavaScript
- React
- Python
- Git
- Vite
- Responsive Design

ACTIVITIES

Robotics Club
2025 — Present

PERSONAL STATEMENT

I am a motivated high school student and aspiring frontend developer with a passion for building clean, well-designed web experiences. In just over a year of self-directed learning, I have earned multiple industry-recognized certificates, completed an internship, and built and deployed my own portfolio website from scratch. I am eager to keep growing, take on new challenges, and turn my skills into real impact.

EDUCATION

Texas Senior High School 2024 — 2028
High School Diploma — in progress

Pursuing a high school diploma with a focus on technology and computer science. Actively self-studying web development and programming outside of school.

WORK EXPERIENCE

Front End Clerk Aug 2025 — Sep 2025
Albertsons · Part-time

Worked as a front end clerk, managing customer service, operating registers, and maintaining a clean and organized store front in a fast-paced retail environment.

INTERNSHIP

Summer Internship Program Aug 2025
Bayyinah · Unpaid Internship

Completed the Bayyinah Summer Internship Program with outstanding results, finishing 8 hours over a 2-month period. Certificate signed by Nouman Ali Khan, Founder of Bayyinah.

CERTIFICATES
